ESSENTIAL SERVICES: Daily, weekly, monthly, or seasonally assigned tasks that support O&M activities for Community assets such as the water system, pool, buildings & grounds, and roads & equipment. Includes Fixed tasks, (a standing order that needs performed on a regular basis)

ROUTINE: Routine maintenance reflects the majority of requests for work and/or information services received from Community Members and Committees. This work is scheduled on a First-In/First-Out basis in coordination with pending scheduled work, including higher priority items and emergency work. Includes Events (work that is unrelated to asset maintenance or corrections)

Service Work (customer requests)
Corrective (restoring an asset after a failure)
Project (ongoing multi day tasks)
Shop Time (cleaning, procurement, paperwork)
Preventive (proactive orders designed to prevent failures)
